Water Resonation Field

Benefits:

- Purified Naturally
- No more filters
- No more chemicals to clean pipes
- Alleviate maintenance budget for cleaning
- ROI is less than 12 Months

CO2

Combustion Resonation Field

Benefits:

- Clean Exhaust
- 30% reduction in fuel consumption
- 30% savings in Fuel Budget
- 90% reduction in emissions
- Reduction in engine maintenance
- Carbon Credits

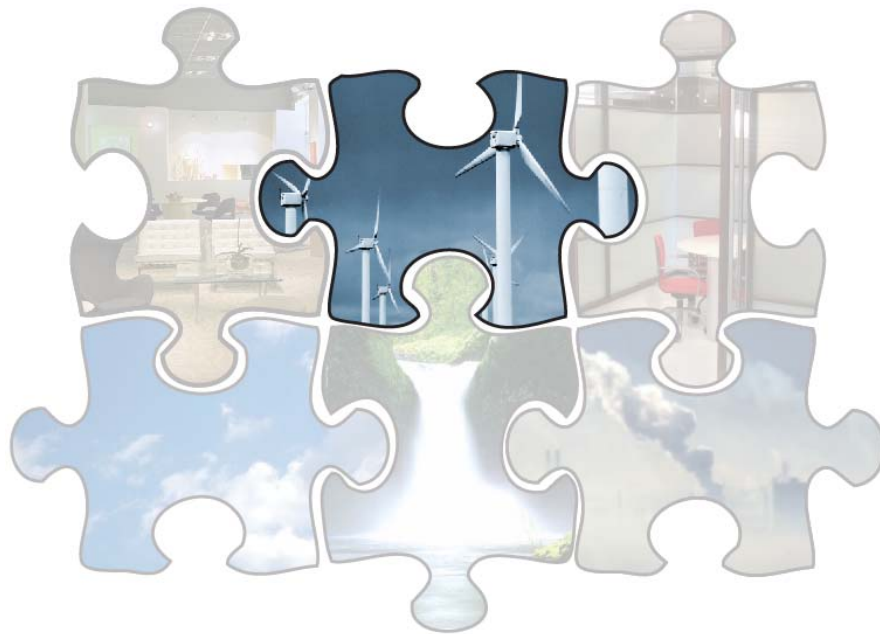

Renewables

[CE] =

T102 Cleanest Air	H2O Purest Water	CO2 Reduced Emissions	Solar & Wind Power	DIRTT Local Healthy Materials	Furniture Green Guard
----------------------	---------------------	--------------------------	-----------------------	-------------------------------------	--------------------------

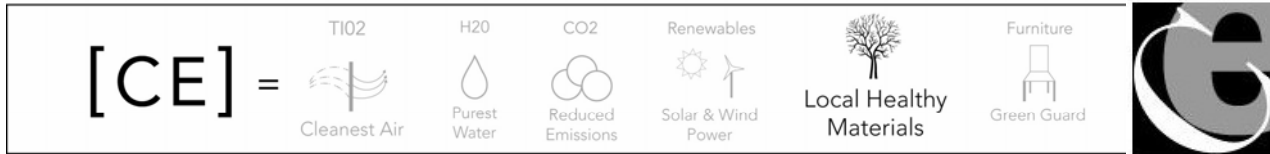

Solar & Wind

Benefits:

- 3 year tax incentive payback
- Reduction in your Energy Bill
- Potentially NO Energy Bill
- Carbon Credits
- Off the grid counseling
- LEED Points

DIRTT

Doing It Right This Time

Benefits:

- Local Harvesting & Manufacturing
Beginning June 2009
- 50% tax incentive for 1st year
- LEED points
- No VOC's
- FSC
- Recycled content
- Rapidly renewable options
- 7 year compared to 39 year tax write off

Furniture

Added Services

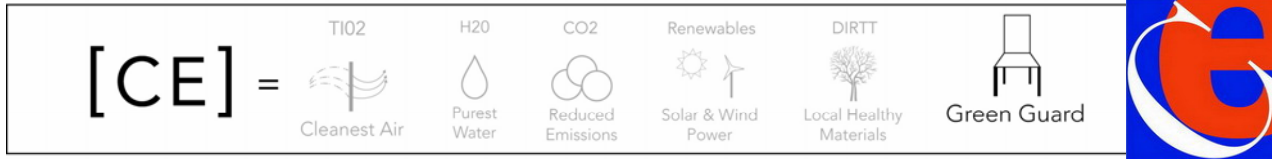

- LEED Writer
- Green Cleaning
- Recycling Program
- Construction Waste Recycling
- Furniture Refurbishing

Benefits:

- Landfill Diversion
- Reclaiming Materials
- Reducing Carbon Footprint
- Reducing Emissions
- Reducing poisonous chemical usage
- LEED Points
- Eliminating dumping fees
